

Privacy statement

Triboni AG is pleased about your visit on our website.

In this privacy statement we inform you which personal data we use when you visit our website. We take the protection of your personal data very seriously and treat your personal data confidentially and in accordance with the privacy rules and this privacy statement.

Data evaluation

We do not evaluate any personal data about the use of our Internet pages (usage data).

Data processing on this website

We automatically collect and store information that your browser automatically transmits to us. These are browser type/ browser version, operating system used, referrer URL and time of the server request. These data cannot be assigned to specific persons. These data are not combined with other data sources.

Utilization of cookies

The cookies we use are so-called "session cookies". They are automatically deleted at the end of your visit and are not used, unless the support login is used. (see Support – Login)

External Links / Third Party Content

We would like to point out that we use external links on our site. We have no authority over the content and design of these pages. The data protection conditions of the respective companies apply.

Contact requests

If you send us enquiries by e-mail, your details will be stored for the purpose of processing the enquiry and in the event of follow-up questions. We do not pass these data on.

Support - Login

Only customers who have signed a maintenance contract with us have a support login. Confidentiality is regulated in the maintenance contract.

Contact

If you have any questions about our privacy statement, you can contact our data security officer at any time at the following e-mail address: info@triboni.com.
